Structure, governance and management

Governing document

The organisation is a charitable company limited by guarantee incorporated on 10 June 2009 and has no share capital. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up, members are required to contribute an amount not exceeding £1.

Recruitment and appointment to the Board of Directors

New trustees are recruited by making it known in the community through various channels that new trustees are being sought. These channels include notice boards, newsletters, social media and word of mouth. Willing and successful candidates are appointed in accordance with the charity's Articles of Association.

A person shall not be eligible to be a trustee unless they are a member of the company. At each AGM the members may elect any member to be a trustee subject to a vacancy being available. The Board of Trustees may at any time appoint any member to be a trustee subject to a vacancy being available.

Objectives and activities

The charity was established in June 2009 to enable the local community to take on the ownership, running and management of the village hall in Cannich. The company's objects are to promote the benefit of the residents of Strathglass and District by associating the local and other statutory authorities, voluntary organisations and residents in a common effort to relieve poverty, advance education, further health and in the interests of social welfare promote the provision of facilities for recreation and other leisure time occupation so that the conditions of life of the aforementioned residents may be improved.

Achievements and performance

The company continues to provide hall and meeting room facilities for a significant number of administrative, social, leisure and sporting organisations both locally based and from other areas. It provides part-time employment for a caretaker and a bookings secretary. During the year the company has continued its activities as a local development trust company and following a community housing needs survey the funds have been granted to push ahead with its plans to purchase the former nurse's house and GP Surgery in Cannich from the NHS and provide secure affordable houses for rent in the village of Cannich. The company has continued to operate throughout the current pandemic providing and disseminating Emergency Covid-19 Funding to the local community, installing sanitisation points throughout the area and reviewing its operations and activities to ensure the company can continue to operate post pandemic.

Financial review

Reserves policy

The company's policy is to retain sufficient funds to cover its financial and legal obligations and to allow it to develop its existing services. The General Fund represents the unrestricted funds arising from past operating results and represents the free reserves of the charity. Due to new OSCR guidance, the charity is developing a specific reserve requirement on a risk basis. The charity has developed a risk register and are in the process of costing those risks based on their likelihood and impact to arrive at a specific risk amount. It is anticipated that the specific risk allowance will be less than the current reserve level of at least 3 months operating costs.

Results

Income before depreciation exceeded expenditure in the year by £28,625 (2019 - £3,776). With depreciation included the surplus for the year was £22,202 (2019 - a deficit of £2,646). The restricted reserves of £280,299 (2019 - £271,551) are represented by the company's freehold premises and are reducing as the freehold premises are depreciated. The unrestricted reserves of £30,440 (2019 - £16,986) are considered by the trustees to be adequate in context of the company's current activities.

Plans for future periods

The purchase of the former Nurses House and GP Surgery and the development of the asset to provide two secure affordable rented homes in the village of Cannich will be a major achievement in 2020/2021. The company will continue to review its activities to provide the maximum services to the community whilst ensuring that it can continue to operate post pandemic.

Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;

prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website.

Independent Examiner's Report to the Trustees of Strathglass and Affric Community Company Limited

Year ended 30 June 2020

I report to the trustees on my examination of the financial statements of Strathglass and Affric Community Company Limited ('the charity') for the year ended 30 June 2020.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 ('the 2005 Act'), the Charities Accounts (Scotland) Regulations 2006 (as amended) and the Companies Act 2006 ('the 2006 Act'). You are satisfied that the accounts of the company are not required by charity or company law to be audited and have chosen instead to have an independent examination.

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts carried out under section 44(1)(c) of the 2005 Act. In carrying out my examination I have followed the requirements of Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

Independent examiner's statement

Since the charity is required by company law to prepare its accounts on an accruals basis and is registered as a charity in Scotland your examiner must be a member of a body listed in Regulation 11(2) of the Charities Accounts (Scotland) Regulations 2006 (as amended). I can confirm that I am qualified to undertake the examination because I am a registered member of ICAS which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act, section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; or
2. the financial statements do not accord with those records or with the accounting requirements of Regulation 8 of the Charities Accounts (Scotland) Regulations 2006; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Independent Examiner's Report to the Trustees of Strathglass and Affric Community Company Limited *(continued)*

Year ended 30 June 2020

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Other matters

To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charities' trustees as a body, for our work, for this report, or for the opinions I have formed.

Notes to the Financial Statements

Year ended 30 June 2020

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in Scotland and a registered charity in Scotland. The address of the registered office is Cannich Hall, Cannich, Beauly, IV4 7LJ.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

Due to the level of reserves held, there are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the purposes of the charity.

Designated funds are unrestricted funds earmarked by the trustees for specific purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor.

3. Accounting policies *(continued)*

Incoming resources

All income is included in the statement of financial activities when the charity is entitled to the income, any performance related conditions attached have been met or are fully within the control of the charity, the income is considered probable and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Donations and legacy income is received by way of donations, legacies, grants and gifts and is included in full in the Statement of Financial Activities when receivable. Where legacies have been notified to the charity but the criteria for income recognition have not been met, the legacy is treated as a contingent asset and disclosed if material. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.
- Donated services and facilities are included at the value to the charity, being the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market.
- Investment income is included when receivable.
- Income from charitable trading activity is accounted for when earned.
- Income from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

- Costs of raising funds comprise the costs associated with attracting donations, grants and legacies and the costs of trading for fundraising purposes.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.
- All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis, as set out in the notes to the accounts.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses

Strathglass and Affric Community Company Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report)

Year ended 30 June 2020

3. Accounting policies *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property	- 2% straight line
Equipment	- 25% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument. Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

4. Limited by guarantee

Strathglass and Affric Community Company is a company limited by guarantee and accordingly does not have share capital.

Every member of the company undertakes to contribute such amount as may be required not exceeding £1 to the assets of the charitable company in the event of it being wound up while he or she is a member, or within one year after he or she ceases to be a member.
